To Whom It May Concern,

It is my pleasure to write to you concerning Mr. Dave Rehnberg. I had the opportunity to work as the superintendent of South Sound Christian Schools for several years. Mr. Rehnberg served as the secondary principal (high school and middle school) at our Tacoma Baptist campus during that time.

I thoroughly enjoyed working with Dave. He has strong experience as a teacher as well as in administration roles at every level. His thorough knowledge of the elements of school life served our organization well. Dave was able to encounter difficult problems in administration and produce excellent solutions based upon sound research and experience. I highly valued his insight and experience.

Dave is a team player. During my time as superintendent, he was highly valued by all serving on the district senior administrative team. Our district faced significant challenges that required a cooperative effort to bring about success, and Dave always served as a critical member of our team. Dave also played a vital role in our re-accreditation process with the Association of Christian Schools International.

In addition, I have always been impressed with Mr. Rehnberg's continuous professional growth in his knowledge, skills, and abilities. As the president of the Principals' Association of Christian Schools, he regularly interacted with other administrators in order to grow in his effectiveness in his position. Mr. Rehnberg also acquired a Master's of Business Administration during our time together. I felt this was an excellent addition to his knowledge base, equipping him to be even more effective in the operational and business side of the school.

I know you will find Dave Rehnberg to be an excellent addition to your leadership team, and I recommend him highly to you. If I may be of any assistance, please feel free to contact me at 281-904-8643.

Sincerely,

Robert White
